

VICTORY LOAN DRIVE SPEEDS UP TEMPO TO FINISH THE WAR JOB

With the Victory Loan Drive nearing the end of its second week, committees in every county, city and town in Northern California are busy intensifying the tempo of their efforts, determined to pass their respective quotas.

On all sides has come a recognition of the imperative need for the drive and a resolute determination to make it a success. Work everywhere are hearkening to the latest appeal of W. W. Crocker, chairman of the Northern California War Finance Committee, to said:

The many financial demands of government, necessitating this Victory Loan are too obvious to need extensive explanation. In addition to funds needed to buy equipment and supplies used in the final stages of the war, there must be met the colossal cost

of returning our fighting forces to their homes from battlefronts around the world, as well as the cost of caring for the wounded and rehabilitating those who left civilian life to answer the call to arms.

Crocker pointed out, also, that the drive is vital as a stop-gap to inflation which threatens the country at a time when billions of idle dollars are in the pockets of American families.

Throughout Northern California men and women in every field of business and industry are organized to work among their respective groups for success of the campaign.

The north state counties are called on to attain a quota of \$281,000,000 of which individuals must subscribe \$132,000,000. Of the latter amount, \$75,000,000 must be subscribed in "E" Bonds, popularly known as "the people's bond."

ALBANY TO SPONSOR VICTORY LOAN QUEEN

Again Albany enters into the fight of a Loan Campaign and the challenge of a contest; for where there is to be found more lovely girls eligible to be "State Victory Queen" than in this community.

The Motion Picture Theatres of America in cooperation with the U. S. Treasury Department's War Finance Committee presents a National "Victory Loan Queen Contest" and the opportunity for some girl to win a motion picture contract or one of the many other valuable prizes offered in this contest.

Any girl 18 years of age and not over 26 may enter the contest by simply filling in the entry blank appearing in this paper and submitting it blank to the Victory Queen Committee at 1377 Solano Avenue, headquarters of the Albany War Finance Committee. This entry blank properly filled in will enter eligible girl into the city contest where she will compete against other contestants of the community for the honor of becoming Albany's Victory Queen and the opportunity to complete against the city queens for the title of "County Queen." The winner of the contest will then go to San Francisco to compete for the title of "Northern California Queen" with the winner of the contest from the other counties as the award winning. There will be many other prizes than those awarded the Northern California Queen.

The queen contest committee includes: Mrs. Gertrude Ross, chairman; Mr. Walter Teasdale, Mr. Milford Gordon, Mr. William Garren.

The procedure for awarding titles and prizes is:

The winning candidate in the community contest automatically becomes "Victory Loan Queen of Albany."

The "Community Queen" coming the best sales record among "Community Queens" of all her county automatically becomes the Victory Queen of Alameda County.

For the purpose of selecting the "County Queen," respective performances among the "Community Queens" will be based on this formula:

The winning community queen have credited to her not only

her own sales, but those of ALL her competitors.

The total "E" bond quota for Albany is \$164,463, assume that the TOTAL sales of ALL contestants in Albany amounted to \$82,231 (one-half the quota) the winner's percentage, therefore, is 50 per cent.

The "Community Queen" whose percentage performance is highest among all communities in the county will automatically win the title of "County Queen."

3. Thus, there ultimately will be crowned 47 "County Queens" in Northern California. These 47 "County Queens" will be brought to San Francisco, all expenses paid, at the end of the campaign to attend a two-day ceremony at which the "Victory Loan Queen of Northern California" will be selected by an impartial board of judges on the basis of (1) bond sales performance (75 percent), (2) looks, poise and personality (25 percent).

The "Victory Loan Queen of Northern California" will be awarded:

1. All expense paid two-day trip to Hollywood.
2. A tour of the studios and a screen test at one of the major motion picture companies.
3. A Victory Loan citation of merit from the Motion Picture Industry's War Activities Committee, to be presented by her favorite star during her stay in Hollywood.
4. A chance to compete against other "State Victory Queens" for the national title which will carry with it a one-year contract with a major motion picture studio.

The girl selected by popular vote to represent Albany as "Albany's Victory Queen" will be presented with a complete and beautiful ensemble. Many other gifts will be given to the other contestants.

The success of any girl for the honor of being "Albany's Victory Queen" depends entirely on the volume of validated series "E" bond ballots cast for her between November 12th and December 1st. Each purchase of a series "E" bond entitles the purchaser to a ballot (one vote for each \$25.00 invested in war bonds series "E").

W. J. Bowman Appointed to Housing Post

W. J. BOWMAN

W. J. Bowman, president of the Albany Federal Savings and Loan Association, has been named Vice Chairman of the Committee on Public Housing of the National Savings and Loan League, nationwide trade association of the savings and loan business, for the ensuing year, it was announced in Washington, D. C., by George M. Eason, of Los Angeles, president of the league.

This committee will draw up recommendations and suggestions for the use of the entire membership as a part of the Victory year program. Mr. Bowman was selected for this post because of the special study he has made of this particular subject.

Mr. Bowman will be in close touch with league headquarters in Washington, D. C., on major matters pertaining to the savings and loan business throughout the country. He will have an important part in shaping savings-and-loan thrift and home financing programs and policies.

"Because savings and loan associations in the U. S. already make over 35 per cent of all home loans and thus lead the entire mortgage lending field, our business as a whole is fully equipped and ready to finance all the houses needed in this nation," Mr. Bowman said. "For that reason there is no reason for government-built housing at taxpayers' expense for persons who can pay for shelter. Let's do it the American way—by private industry and business."

Legion Post Auxiliary to Play 'Daddy'

Christmas gifts for every child of wounded and sick service men in California hospitals is the goal of the American Legion auxiliary child welfare Daddy gift program being launched this month throughout the state. Plans for the vast activity are under the direction of Mrs. Edward Flory, department child welfare chairman. Hospitals are now being canvassed by district chairmen so that each child will be assured a happy holiday. Gifts this year will exceed the figure of six thousand, according to Mrs. Flory. Aiding in this work will be Mrs. Edward Hannahan, child welfare chairman of Albany Unit No. 292.

Albany Unit will meet Monday, November 12th, at the memorial building at 8 p. m. and the president, Mrs. Richard Roderick, says this will be a busy meeting. Besides the Daddy Gift program, Mrs. Hannahan is planning a sewing club to make articles needed at the Veterans Hospitals. Mrs. William Jones, Rehabilitation chairman, has planned a trip to Livermore hospital for next week with the president. They will take a lingua phone record on Morse Code that has been requested by some of the patients, and books and magazines. Clothing and magazines are also being solicited for the Yountville hospital. Anyone having good wearable men's clothes please contact Mrs. Jones or leave them at the Veterans Memorial Building.

The reason one-armed drivers get into trouble is that they are prone to hug the wrong curves.

BOY 'PILOT' OF ALBANY TRIUMPHS

A treasured award, a model B-17 Flying Fortress autographed by Lt. Gen. James H. (Jimmy) Doolittle, today was held by Bill Thunberg, a 14-year-old "junior pilot" of Albany.

Thunberg received the award for accumulating the highest number of points at the first bay area model airplane meet in Alameda Sunday at Washington park.

The plane also was inscribed with the signature of H. Norman Eierman, president of the Alameda junior chamber of commerce which sponsored the meet.

Kenneth L. Skilling (son of Mrs. E. Linville), former Albany High student and now with the U. S. Navy, at San Diego, took first place with his Class A speed plane. Bill, flying Ken's plane, by proxy, maintained a speed of 73.5 miles an hour, this being 23 miles an hour faster than the next highest entry. The boys netted about twenty dollars worth of cash and merchandise awards. Both are members of the Albany Control Flyers. Bill Thunberg is treasurer of Albany Control Flyers.

More than 6000 spectators watched the 97 contestants compete for high honors at the meet.

Highest speed of 103 miles per hour was attained by a Hornet-motored midwing model plane weighing three pounds and operated by J. W. Little of San Francisco.

Largest number of points went to Thunberg for his plane's maneuverability.

John B. McMahan of San Francisco won the "heart-breaking" honors. He received the Crash trophy when his "Yellow Veegee" hit the ground at 90 miles per hour and disintegrated.

E. Tooker of the San Francisco Model Aero club presented an engraved trophy won at a San Francisco meet by the Alameda Aero Modelers.

A model A-26 bomber, autographed by Doolittle, was presented to Ens. H. L. Conklin of the U. S. maritime officers' training school at Alameda.

Presentation of awards was made by Alameda Mayor W. J. Branschied. Awards were contributed by Oakland area hobby shops.

Model airplane clubs participating in the meet included the Alameda Aero Modelers, hosts at the meet; Oakland Airfoilers, Oakland Vapor Trailers, Berkeley Tether Terrors and the Albany Control Flyers.

Albany Youth Wins Scholarship

Oakland Scottish Rite Scafe Scholarship Foundation awarded the annual four-year full-tuition scholarship to William Bonnington, freshman from Albany High School. The recipient of the scholarship selects the college or university of his choice.

While in high school, Bonnington was chosen a life member of the California Scholastic Federation. He was also publicity director of the Board of Control, an athletic honorary, and played on member of Hi-Y and Black "A", the basketball and tennis teams.

He has just been pledged by Sigma Tau fraternity at Williamette University at Salem, Ore.

ARMISTICE SERVICE AT NORTHBRAE CHURCH

With Armistice Day falling on Sunday this year, Rev. Laurance L. Cross will hold a special service at Northbrae Community Church next Sunday morning at 11:00.

He will speak on, "How Can We Keep V-E and V-J Days from being just another Armistice Day?"

Special music will include a solo by Stephen Lehmer, of Albany High School and the community choir of which he is baritone-director.

A nursery for small children is held during the Sunday morning service while the regular Sunday School is at 9:45 a. m.

Next Wednesday, November 14th, the community diner will have as a feature the second session of "Controversy Court." The question for

R. W. Connolly Thanks Aides In Sector No. 1

To Wardens and to all who took part in Civilian Defence in Sector No. 1:

At this time, I should like to express my thanks and appreciation for all your kind and thoughtful assistance rendered during my capacity as Captain of Sector 1.

As was often the case in an emergency, I found it necessary to call upon you at very short notice. However you were always ready to respond with a helping hand and timely suggestion. Both, I assure you were always appreciated.

Now that our victory is won, we may all feel justly proud of the fact that our tireless and ready co-operation has not been in vain. And that we, in some small way, have at least contributed our best to the grand final score.

Having reached our goal, I sincerely trust that the good fellowship which brought us all together will always continue to exist.*

R. W. CONNOLLY.

Albany Legion Post to Sponsor Bond 'Queen'

In keeping with the plans of the Albany Victory Bond Committee to stage a Queen Contest in connection with the sale of the Victory Bonds in Albany, Albany Post No. 292, The American Legion gave Lee J. Carroll, the Post's Bond Chairman permission to enter a Queen.

After the grant of this privilege and power Carroll found he had no queen to announce as the Legion's candidate for Queen to the members of the Post. In order to follow the mandate of the Post Mr. Carroll will accept applications from young ladies of Albany to have Albany Post's sponsorship in her endeavors to attain the Honor of being crowned "Albany's Victory Bond Queen" in the Albany Theatre, Dec. 5th.

In making his selection of Albany Post's candidate for Queen Carroll, will consider the applicants for this honor in the following sequence, daughters of members of Albany Post No. 292, girls who have served in the armed forces in World War No. 2—(WAC, WAVE, Coast Guard and Marines).

Applicants for Albany Post No. 292 sponsorship in the Albany Bond Drive Queen Contest should contact Lee J. Carroll, 604 Key Route Boulevard, Albany or telephone Carroll at LAndscape 5-1016.

ALBANY'S WAR CHEST NEAR GOAL

The Albany Community War Chest has reached 93 per cent of its goal of \$8500. The Residential Division, under the leadership of Mrs. Lela Locke, went over 100 per cent. Fire Chief Fred Pimental and his city employees went over 100 per cent of their quota. William Woolworth of the Public Schools went over 100 per cent. Organizations falling short of their goal were the Business District, Western Regional Laboratory and Organizations. It is hoped that there will be some additional contributions forthcoming from these organizations, according to Oliver Nelson, General Chairman.

The General Chairman, Oliver Nelson, and his aide Elmer Coble, wish to express appreciation and thanks to every worker who has helped Albany achieve this 93 per cent.

The November meeting of the Starlette Club of Thousand Oaks O.E.S. was held at the home of Martha Hurt with Irma Cvetusa and Marion Gibson co-hostesses.

The club will serve coffee and doughnuts at the Sewing Circle's Thanksgiving Whist party.

Coast Phone Rates Reduced

From all points throughout the Pacific Coast, telephone rates to Honolulu and Alaska will be reduced, effective November 1, 1945, it was announced by N. R. Powley, President, The Pacific Telephone and Telegraph Company.

Recognizing as we do, said Powley, the increasing industrial and commercial relationship between the Pacific Coast and the Hawaiian Islands and the tie-in between the Pacific Coast and the great Alaska country, these new rates should promote a greater volume of traffic which will reflect the growing community of interest to the benefit of users both on the Coast and in Honolulu and in Alaska. We seek at all times to be of the greatest possible service in the upbuilding of the trade relationships throughout the Coast and the Western and Northern frontiers as we have over the years to our Eastern shores.

Hestia Club To Meet Nov. 12

Mrs. Richard H. Pawson, assisted by Mrs. John Rendahl, will entertain Hestia Club members at the regular monthly meeting on Monday evening, November 12. While this is not a regular guest night, members will be permitted to bring guests to hear the speaker, Mrs. H. G. Henningsen, an authoritative and interesting speaker upon the subject of "Herbs." Mrs. Irvin Pollard is in charge of the program for the evening.

Plans for the annual Christmas party for members and their husbands will be completed at this meeting.

"Ma" Aaker Gives 'Thank You' Dinner

Mrs. Elma "Ma" Aaker, manager of Palm Garden cafe, was host at a "thank you" dinner at Palm Garden Wednesday evening.

"Ma" Aaker, who has long been a popular Solano Avenue restaurateur, states that the affair was not by any means a "good bye" but just a "courtesy" dinner in honor of all her fine friends she has enjoyed during the past years.

Santa Fe Ry. To Erect Signal At Dartmouth

Albany's city council last Monday received notification from the Santa Fe Railroad that it intends to erect a wig-wag warning signal at its crossing at Dartmouth Street.

A petition signed by 112 residents of the neighborhood had requested the signal.

The Dartmouth Street crossing will be protected by two Standard No. 3 wig-wags; whereas the Marin Ave. signal whose replacement was requested by Mrs. Kathie Zahn of Albany will be replaced with two Standard No. 7 wig-wags.

The installation of both signals will be made shortly according to C. R. Tucker, acting general manager of the Railroad company.

Greyhound Speeds Up Bus Service

More buses per day, more frequent departures, more service to the public—these are highlights of many improvements now put into effect by Pacific Greyhound Lines, according to F. W. Ackerman, vice president of the bus company.

"The running time for all schedules has been reduced," said Mr. Ackerman. "This means buses make more trips and accommodate more passengers, who now arrive sooner. Additional schedules have been provided, too, giving the convenience of more departure times to choose from. For example, to Los Angeles we are now operating 28 schedules each day, an improved frequency of service. There's a bus leaving just about any time you are ready to leave."

This improved Greyhound service, the bus executive pointed out, is only the first step in a program to provide this area with "finer highway transportation at lowest cost."

"Fares are now being lowered between many points," Mr. Ackerman said, "and still other reductions are contemplated."

Pacific Greyhound's expansion program, interrupted by the war, includes new buses, new and remodeled terminals, and other improved conveniences for bus travelers.

Husband, Wife Join Albany Legion Post

The first husband - and - wife "team" has been initiated into Albany Post No. 292 of the American Legion. Both are Navy veterans of World War II.

The new members, initiated with 12 other candidates, are Mr. and Mrs. Joseph R. Carmelich, 752 Norvell Street. Carmelich, a storekeeper prior to his discharge, met the present Mrs. Carmelich, ex-Navy yeoman, at Treasure Island, and according to him it was a case of "love at first sight."

They were married shortly after they met, and the couple now have a 7-months-old daughter, Jo-Nell Carmelich.

Mrs. Carmelich was sponsored through the initiation ceremony by Mrs. Jewel Hanson. Charles Lindh, commander of the Tenth Legion District, headed Albany Post officers in the initiation ceremonies.

Carmelich was sponsored by Gilson Talmage, Albany Post historian. Comdr. Russell Rothschild, addressing the 14 candidates, said: "Although this post has combinations of husbands and wives on the membership rolls, this is the first time in the history of the post that a husband and wife have joined our post and gone through initiation ceremonies together."

Farmers Have Less to Worry Them This Time

Washington, D. C.—Farm prices stand at 200 per cent of the 1909-1914 average—higher than the prices of 1918—and will drop again but not as sharply as in 1921 because the Government is required by law to maintain support prices of at least 90 per cent of parity for two full calendar years following the year in which the war ends. The Department of Agriculture has announced.

The announcement indicates the farmer will not be a victim of a drop in prices similar to that which followed the last war in 1921 when prices hit the low of 115 per cent of the May, 1920, level which was 235 per cent of the 1909-1914 level. Thus the farmer will have more money than after the last war.

War Finance Committee officials said that in addition to the maintenance of the price level for two years, that non-farm families already have, and are accumulating, weekly savings through the Payroll Savings Plan of the War Finance Division of the Treasury. This, they claim, will give the non-farm family a much better ability to support itself than after the last war during the normal fall of reconversion. Buyers of farm products will have the money to buy, it was said, and farmers should avail themselves of the opportunity to acquire War Bonds during the Victory Loan so as to have the money with which to modernize and handle the non-farm market demands that will be backed with cash to pay sustained prices during the two years after fighting ceases.

The Payroll Savings Plan has sold \$15,000,000,000 in War Bonds to wage earners, that great bulk of non-farmers who will, it need be, enjoy the fruits of their savings in the reconversion period and have the cash with which to support themselves.

Secretary of Agriculture Clinton P. Anderson adds that "prosperity of the farm depends primarily on purchasing power in the city."

Special Victory Bond to Honor Late President

Washington, D. C. (Special)—The Treasury has called attention to a special Victory Bond to be sold during the Victory Loan campaign, starting October 29, for \$11,000,000,000.

The bond is in memory of the late President Franklin Delano Roosevelt. It will be on sale at all agencies authorized to issue United States Savings Bonds of Series E.

The bond will be in the denomination of \$200, to be issued at \$150. It will constitute an additional denomination of Series E Bonds, and will have the same terms and attributes as other denominations. It will carry a likeness of Mr. Roosevelt.

Accidents in the United States since Pearl Harbor have, in effect, reduced 350,000 active wartime workers to industrial 4-F's, the National Safety Council reports.

THEY FINISHED THEIR JOB**LET'S FINISH OURS**

EVERY DAY the cost of war continues in the two-way flow of ships—in-bound and out-bound under the Golden Gate Bridge. Men and women coming home to civilian life. Men and women transferred back to rehabilitation centers and hospitals. Men and women and supplies sailing out to far-distant occupation areas. The fighting war is over. Now we must help pay the bill through this final drive, the eleven billion dollar Victory Loan.

We owe these specific debts which we should be glad to pay, through the Victory Loan...

1. Care of the Wounded. This is a debt we can never fully repay. With Victory Bonds you lend your money to help pay for this work.
2. Bringing Men Home. It costs as much to bring men home as it did to send them over. This job has just started.
3. Rehabilitation of Veterans. In addition to mustering out pay, the guarantees of the G. I. Bill of Rights must be met for education, loans and other aids.
4. Payment for War Material. Huge sums are needed to pay for materials of war produced and used in action months ago.

Put away every extra dollar you can in Victory Bonds. Hold them for such future uses as owning your home, educating the children, for starting a business or as a savings fund for emergencies. For the last time—buy bonds—extra bonds every week of the Victory Drive.

To solve this mystery you will need a lead pencil. With the pencil blacken in the spaces which have a dot in them. The first thing you know there will appear the picture of this strange creature.

IN SOUTHERN CALIFORNIA—Be A Buddy: Buy a Victory Bond is the slogan of Southern California students' Victory Bond drive this semester. Demonstrating is Miss Beverly Jeanne Lake of City College of Los Angeles and the attentive (yes, he's ill) soldier is Sergt. Capt. Burdick Appointed to East Bay Post

For the second time in the course of two world wars Captain Harry A. Burdick of 531 Vincente St., Berkeley, has received his discharge from the army in California.

When the United States entered the first World War Burdick was a music student in Connecticut. He enlisted as a cadet in the Air Corps winning the wings of the Observation Balloon Pilot and the commission of the second Lieutenant. At the time of the armistice the officer was serving as an instructor at Ross Field, Arcadia, Calif., from which post he received his discharge in 1919.

When Pearl Harbor was attacked Captain Burdick again entered the service, this time being assigned to the Military Police branch of the army. For the past two years Captain Burdick has been stationed at the Central District Headquarters in San Francisco, where for the past ten months he has been acting Detachment Commander of the 1903 S C U.

Two sons of the Burdicks also served in this war. B-17 Pilot Lt. John C. Burdick was killed in action in the European Area in October 1943. He was stationed with the Eighth Air Force in England. A second son First Lt. Stuart C. Burdick, navigator of a B-25, completed 47 bombing missions in the China-Burma-India theater before he was wounded and sent home last April.

Captain and Mrs. Burdick, who made their home in Seattle prior to this war, are planning to remain in

the East Bay region. While in Seattle Burdick held the post of Choir Master and Organist at the University Congregational Church and was acting sub-dean of the American Guild of Organists of the State of Washington. In August Captain Burdick was elected to the post of Choir Master and Organist at the Piedmont Community church and since his discharge has been appointed to have charge of the Ministry of Music at the Chapel of the Chimes in Oakland.

THIS PROTECTION

It is easy to understand why the idea of paying for future funeral costs, through a Funeral Service Policy, is sweeping the nation. It is a protection that no ordinary insurance can provide because it not only stipulates how much or how little shall be spent—it also provides immediate cash to pay funeral bills.

This means that savings and insurance funds are kept intact for their intended purpose...security for those who remain.

We will gladly tell you about a reliable Plan which costs very little.

Lifting of wartime restrictions was the go-ahead signal for putting into effect the finer peacetime service long planned by Greyhound. The first step brings you improved and more frequent schedules made possible by reduced running time and delivery of essential equipment.

It's been going on for months—the great organization job behind these new schedules. Now, you will arrive sooner, often saving hours. More seats and more comfort

too, because there will be more buses daily.

And this is *only* the beginning! The road ahead is clear. Greyhound is going forward with the development of new, luxurious Super-Coaches, the construction and modernization of terminals, as well as other plans to make bus travel more attractive than ever before.

Look to Greyhound for a highway transportation service that will continually grow in value to you and to your community.

Some Victory Loan Facts

Washington, D. C. — Victory Loan facts, honoring the men and women who won the war, are as follows:

Dates: October 29 through December 8.

Quotas: \$11,000,000,000; 4 billion in individual sales, 2 billion in Series E sales, 7 billion from other non-bank investors.

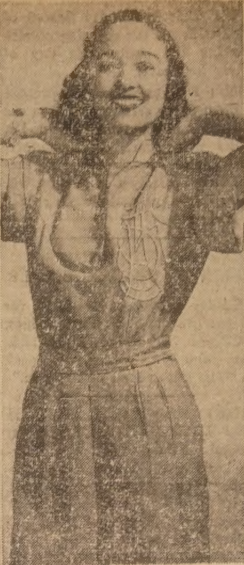

Reason: Treasury balance will be drained by December. Money is vital for hospitalization, rehabilitation, retraining, feeding and clothing men overseas, transportation home, payment of munitions already used.

BEDTIME STORY — Hal Peary, who plays uncle to Louise Erickson and Walter Tetley in NBC's "The Great Gildersleeve," probably would not be endorsed by child psychologists for his choice of bedtime story. Here he is shown happily shocking the youngsters with a tale that would make a good subject for a nightmare.

What Drivers Should Know

These questions are official and the same you are asked when you apply for your Driver's License. Test your knowledge by making YES or NO in the space at the end of the line. Correct answers are printed on page seven.

1. When you hear a siren should you pull over to the right and stop and then decide whether the emergency vehicle is coming your way?

2. Does the law permit you to

throw a lighted match from car if you are careful?

3. If a street car has stopped in a safety zone may you pass it slowly if you watch passengers?

4. When two vehicles intersect from different ways at the same time, does the vehicle going faster have the right of way?

5. Does a linking red traffic light mean for you to merely stop and drive through?

6. When stopping your car suddenly slowing down should you warn other drivers by holding arm down outside the car?

According to the nutritionists, variety meats have not been given the consideration in the menu that they deserve. The fact that the home menu planner isn't as well

acquainted with their possibilities as she might be may be one reason. The variety meats include liver, heart, sweetbreads, kidneys, brains, tongue and tripe. As the name im-

plies, they may be prepared in a variety of attractive ways. The above table gives only a few of the many ideas which may be applied in making the most of variety meats.

In Mitchell Point Tunnel on the Columbia River Highway east of Portland, Oregon, large arched windows are hewn in the wall, providing superb views of the great river.

VICTORY LOAN QUEEN COMMITTEE
1377 Solano Avenue, Albany, California

To the People of this Community
Leave it to the nation's school children to be on top of the ball when it comes to saving up the war financing situation. From Pearl Harbor to V-J Day they dedicated each purchase and sale of war bonds to fighting equipment. Then the Japs quit. Schools at War instantly became Schools For Peace. The theme shifted from "Back the Attack" to "Speed His Recovery." The new goal was set at 35,000 hospital units, including a bed, wheel chair, X-Ray machine and surgical instruments. Growups could well listen to one of the millions of youngsters who are taking part in the Victory Loan. Even without a word from the young volunteer, you have one of the main reasons for buying extra Victory Bonds—the future of the "salesman" who may be your own son or daughter. Your war bonds have just helped to defeat the Nazis and Japs who would have educated your children for death. Your extra Victory Bonds will assure a brighter life for tomorrow's citizens.

CHECK ON BEARINGS
Automobile bearings are not yet generally available, and, therefore, every effort should be made to preserve those in your car. The California State Automobile Association advises that wheel bearings be cleaned and lubricated with the proper grease at regular intervals. Generator bearing should be protected from dirt and foreign matter by keeping the generator clean, and the commutator cover securely fastened on the end of the generator.

Famous Last Words: "These tires are just as safe as the day I bought 'em six years ago."

A careless driver is an accident going somewhere to happen.
